ENVIRONMENTAL MANAGEMENT CONSULTANTS

August 29, 2005

Mr. John Awujo
County of Los Angeles Department of Public Works
900 South Fremont Avenue
Alhambra, California 91803

Subject: **EXTENSION REQUEST FOR SUBMITTAL OF SITE ASSESSMENT WORK PLAN FOR
EXXONMOBIL OIL CORPORATION SERVICE STATION #18-E50
8441 SOUTH PIONEER BOULEVARD, WHITTIER, CALIFORNIA
(LACDPW FILE #EP-1000986-001034)**

Dear Mr. Awujo:

In its letter dated June 13, 2005, the Los Angeles County Department of Public Works (LACDPW) directed ExxonMobil Oil Corporation (ExxonMobil) to define the vertical and lateral extents of hydrocarbon-containing soil at the above-referenced site, based upon the results of compliance sampling conducted during a piping upgrade in 2000.

Holguin, Fahan & Associates, Inc. (HFA) has been designated as ExxonMobil's environmental consultant for the subject site, and received the June 13, 2005, directive on August 19, 2005. Therefore, to allow adequate time to conduct file reviews of historical documents and prepare a site assessment strategy, HFA, on behalf of ExxonMobil, respectfully requests an extension for submittal of a site assessment work plan to October 10, 2005.

Holguin, Fahan & Associates, Inc. trusts that this request meets your requirements. If you have any questions or require additional information, please contact me at (805) 641-4089 or James_Anderson@hfa.com.

Respectfully submitted,

James Anderson, REA
Associate Engineer
Holguin, Fahan & Associates, Inc.
